Harley Davidson Dealership for Parts and Services

Harley Davidson: Call or Visit Your Local Harley Davidson Dealer in Person or Online. Founded in Milwaukee, Wisconsin in 1903, (the MoCo) is a great place to get parts for your bike. The good thing is, the parts they sell will fit your bike without alterations. It is also to your advantage to purchase a [Parts Catalog](#) for your year model Sportster to help insure your parts ordering goes as smooth as possible.

In general, the part numbers for a year specific manual are as follows:

Manual Type	Part Number
Sportster Service Manual	99484-xx
Sportster Parts Manual	99451-xx
Sportster Electrical Diag Manual	99495-xx (starting in 2001)
	xx above is two-digit year

Online OEM Parts Catalog

Several Harley-Davidson dealers have an online parts catalog as electronic microfiche. You can key in the make, year and model of your bike to display a listing of parts categories. Select the location/category of parts you are interested in and the microfiche (with a parts list) will be displayed for you to choose the part you need. Read more about [Searching HD Parts Online](#).

You can order the parts online (only ships within the US). The parts diagrams are just like the parts catalog you can buy.²⁾³⁾
