INDIVIDUAL ITEMS REPLACE 94405-78 DELUXE TOOL KIT

As you may already be aware, the 94405-78 Deluxe Tool Kit has been obsoleted. Instead, we now have available, separately, the Tool Pouch and special tools found in that kit. This will enable you to better serve your customers' tool needs in a cost effective manner. These items are pictured and listed on Page 37, box 14 of the new Spring Fashions and Accessories Catalog. For your convenience, their part numbers, descriptions, and prices are given below:
