P&A #289

MOTOROLA RADIO AND CB REPAIR PROGRAM

Harley-Davidson would like to recommend the following company for repair of Motorola radios and CB's that are out of warranty:

Midtronics, Inc.
3450 West 127th Street
Blue Island, IL 60406

Tel: (312) 388-9002 for Illinois
Tel: (800) 643-9296 for outside of Illinois
Telex: 254402

This company will repair Motorola radios and CB's at a flat rate, OR will call you with an estimate for repairs when parts are severely damaged.

If your customers cannot get their Motorola radios or CB's repaired locally, this is an alternative you should recommend to them.

Please contact Midtronics, Inc. directly for current flat rate charges, shipping details, and payment requirements.

Harley-Davidson believes this company will meet your customers' repair needs in a timely and fair manner. Since Motorola has withdrawn from the radio/CB market, many local Motorola repair facilities claim they do not know how to repair the radios/CB's. By going direct to Midtronics, your customer will be assured of a quality radio or CB repair.

If you have any questions, please feel free to call your P&A Account Representative.

Thank you!
