POPULAR ACCESSORIES THAT DO NOT FIT 1990 FLSTC MODELS

Please review this bulletin closely and route it to your parts and service department personnel.

Because of interference with 1990 stock production leather saddlebag brackets, the following CANNOT BE INSTALLED ON 1990 FLSTC or any vehicle equipped with 1990 style FLSTC leather saddlebags:

PART NUMBER

DESCRIPTION

50602-89	Passenger Footboard Kit
64201-85B	Chrome Tool Box Kit, Right Side
64207-89	Chrome Tool Box Kit, Left Side

Correct fitment for the CHROME TOOL BOXES is '84-'90 FXST, FXSTC, FXSTS, FLST, FLSTF, and '87 1/2-'89 FLSTC.

Correct fitment for the PASSENGER FOOTBOARD KIT is '86-'90 FXST, FXSTC, FXSTS, FLST and '87 1/2-'89 FLSTC.

1990 FXST, FXSTC, FXSTS, FLST models are not affected unless equipped with '90 FLSTC leather saddlebag Kit p/n 90835-90. Alternate leather saddlebag kits 90837-87A and 90860-86 can be installed on 1990 models and do not interfere with either chrome softail tool boxes or passenger floorboard kits.

Our Parts & Accessories Engineering Department is evaluating the possibility of retrofitable brackets, etc. for future kits. We will inform you as more information becomes available.

Thank you.
