CRUISE CONTROL KIT

The Cruise Control Kit for 1990 and earlier FLT/FLHT models has been changed. This is due to the new throttle control cables and improved electrical components.

When ordering, one kit must be purchased containing the common electrical components and a second kit containing the appropriate mechanical components.

The kit part numbers and model applications are listed below:

<u>Kit Part Number</u>	<u>Application</u>
77127-88A Electrical Component Kit	1986-1990 FLT, FLHT
77145-90 Mechanical Component Kit	1986-1989 FLT, FLHT
77146-90 Mechanical Component Kit	1990 FLT, FLHT
