## FLSTN-STYLE SADDLEBAG KITS

As a result of dealer requests at the Boston Dealer Show and customer requests at Sturgis this year, Harley-Davidson will be making available FLSTN-style saddlebag kits **for installation on all 1984 -1995 Softail models**. Each of these kits contains a right and left FLSTN-style saddlebag, all the required saddlebag supports / mounting hardware, and installation instructions. The three FLSTN-style saddlebag kits, shown below, are attractively priced for brisk sales.
