PAB1114

2021-03-03

## PAB1114: NEW GALLON AND 4 LITER OIL CASE QUANTITY & BOTTLE

### Reason for Revision

Refer to Table 1.

Table 1. Document History

Date	Revision Description
2021-03-03	Addressing Typo * Updated Summary : Table 2
2021-03-01	Initial release

### Purpose for Parts and Accessories Bulletin

To inform dealers that there will be a new 1 USgal and 4 L case quantity and an external bottling change to the H-D 360 and SYN3 oil products.

### Markets Affected

All markets are affected.

### Summary

There will be a transition beginning in March to change the current case quantity of four per to three per case for the H-D 360 and SYN3 oil products. In addition, there will be a new bottle for retail purposes. The Stock Keeping Units (SKUs) impacted are listed in Table 2.

Table 2.
