

## FL/FX REAR BRAKE ANTI-VIBRATION KIT

**A service repair parts kit is now available through Parts and Accessories to eliminate rattle on FL/FX rear brake calipers. The kit is designed for use on 1973-80 FL/FX models.**

**The REAR BRAKE CALIPER ANTI-VIBRATION KIT, Part No. 41670-73, should be recommended and sold to cus-**

tomers who complain of any “rattling” in the rear caliper.

The attached instruction sheet contains all the procedures to install the kit. A copy of the instruction sheet is included in each kit also.
