M1454: 2018 TOURING AND SOFTAIL PLATFORMS - SCREAMIN' EAGLE STAGE II AND ADJUSTABLE PUSHROD INSTALLATION

Purpose for Service Bulletin

Dealers must order four washers (Part Number 6762D) separately when installing the kits listed on 2018 Milwaukee-Eight®. The washers will be added to the kits on a later date. Refer to Table 1.

Background

Refer to Figure 1. The affected OE (Original equipment) models use the captured O-ring shown (1) and do not contain the washer (Part Number 6762D) for reuse during Stage II installation as in prior years. Screamin' Eagle® kits still use the traditional cover shown (2).

Motorcycles Affected

This information applies to 2018 Touring, Touring CVO, Touring Police, Trike and Softail.

Markets Affected

All markets are affected.

Part Numbers

Refer to Table 1.

Required Dealer Action

Update the affected kits with washer stated when installing them on motorcycles.

Refer to SIP (Service information portal) for the updated I-Sheets for the kits in Table 1.

Dealer Inventory Instructions

Update all kits in inventory with four washers (Part Number 6762D) per kit.

Credit Procedure

To receive credit for the missing parts file an RMA code S using the RMA tool on h-dnet. Dealers are required to reorder the missing parts to complete the kit.

NOTE

In the interest of preserving customer safety and satisfaction, always check for outstanding recalls whenever any motorcycle is brought into your dealership for either maintenance or service.
