100th ANNIVERSARY LUGGAGE KIT

General

This instruction sheet lists and describes installation of:

- 100th Anniversary Overnight Bag
- 100th Anniversary Snap Bag
- 100th Anniversary Day Bag

See the Luggage-Kit Fitment Information table in this instruction sheet for fitment information.

These kits have no service parts.

NOTE

Please note that the photos on this instruction sheet show generic styled luggage.

NOTE

The luggage kits listed in this instruction sheet require the vehicle to be equipped with a passenger upright.

⚠ WARNING

When installing luggage and to prevent death or serious injury:

- Do not exceed the load limit of the luggage rack for bags installed on luggage racks.
- Do not exceed 25 pounds total weight, including bag, contents, and attachments, for bags installed on passenger uprights.
- Securely fasten the bag to the rack or passenger upright to prevent bag shifting during vehicle operation.
- Before riding, check that all straps are secured to prevent strap contact with the rear wheel during vehicle operation.
- Always remove shoulder straps before installing bags on a motorcycle.
- See the owner's manual for recommended tire inflation pressure. Do not exceed gross axle-weight rating. See the conformance decal.

Special Care Instructions

The 100th Anniversary Medallion is chrome plated, with paint filled accents and a special hologram surface on the Harley-Davidson "Bar and Shield".

CAUTION

To prevent damage to the medallion surface, do not use any detergents, chemical solvents, polishes or abrasive cleaning agents.

To keep this surface in best condition, lightly wipe with a Harley-Davidson Micro Fiber cloth, part number 94663-02, using clear water or a mild Harley-Davidson cleaner such as: Sunwash (part number 94659-98), Bug Remover (part number 94657-98) or Harley Gloss (part number 94627-98).

Figure 1. Sissybar Cover (generic styled cover shown)

Installation

Single Bag on XL, Dyna, or Softail Passenger Seat

1. See Figure 1. Slide the passenger-upright cover over the upright.
2. Double-wrap the strap around the upright.
3. Buckle the straps around the passenger upright as shown, then pull the straps tight to secure the bag to the vehicle.

CAUTION

After installing a bag, tuck in or tie down excess strap material to prevent straps from contacting painted surfaces. Strap material contacting painted surfaces can scratch or scuff the paint.

4. Tuck in or tie down excess strap material to prevent the straps from contacting the rear wheel or painted surfaces.

Single Bag on XL, Dyna, or Softail Luggage Rack

1. See Figure 1. Slide the passenger-upright cover over the upright.
2. Double-wrap the strap around the upright.
3. Buckle the straps around the sissy bar as shown, then pull the straps tight to secure the bag to the vehicle.

CAUTION

After installing a bag, tuck in or tie down excess strap material to prevent straps from contacting painted surfaces. Strap material contacting painted surfaces can scratch or scuff the paint.

4. Tuck in or tie down excess strap material to prevent the straps from contacting the rear wheel or painted surfaces.

Single Bag on FLT, FLHR, or FLHT Passenger Seat or Luggage Rack

1. See Figure 1. Slide the passenger-upright cover over the upright.
2. See Figure 2. Buckle the straps between the license-plate bracket and saddlebag-support bracket as shown, then pull the straps tight to secure the bag to the vehicle.

Figure 2. Single Bag on FLT, FLHR or FLHT Passenger Seat or Luggage Rack

CAUTION

After installing a bag, tuck in or tie down excess strap material to prevent straps from contacting painted surfaces. Strap material contacting painted surfaces can scratch or scuff the paint.

3. Tuck in or tie down excess strap material to prevent the straps from contacting the rear wheel or painted surfaces.

Overnight and Day Bags

NOTE

Installing a second bag requires the vehicle to be equipped with a luggage rack.

1. Fasten the larger bag to the passenger upright according to the instructions for that bag.
2. See Figures 3 and 4. Connect the D-rings of the overnight and/or day bags to the installed bag as shown.
3. Check that all bags are securely fastened to the vehicle.

CAUTION

After installing a bag, tuck in or tie down excess strap material to prevent straps from contacting painted surfaces. Strap material contacting painted surfaces can scratch or scuff the paint.

4. Tuck in or tie down excess strap material to prevent the straps from contacting the rear wheel or painted surfaces.

Figure 4. Overnight Bag and Day Bag

Snap Bag

NOTE

The Snap Bag is sold separately through your Harley-Davidson dealer.

1. See Figure 5. Clip the Snap Bag onto two upper D-rings.

Figure 5. Attach the Snap Bag to Upper D-rings

2. See Figure 6. Thread the lower strap through the lower D-rings and buckle the Snap Bag clasp.
3. Check that all bags are securely fastened to the vehicle.

CAUTION

After installing a bag, tuck in or tie down excess strap material to prevent straps from contacting painted surfaces. Strap material contacting painted surfaces can scratch or scuff the paint.

4. Tuck in or tie down excess strap material to prevent the straps from contacting the rear wheel or painted surfaces.

NOTE

The Snap Bag may be worn on either the right or left leg. See the Snap Bag instruction sheet for Snap Bag instructions.
