On Feb 26, 1981, Vaughn Beals heads up a group including Charlie Thompson and Wilie G Davidson and ten other HD executives who sign a letter of intent to buy Harley Davidson back from AMF. On June 16, HD history was made when they successfully bought HD back from AMF. ⁴⁾

To mark the buy back and independence from AMF, they released a few limited editions including this Limited Edition (Series One). Only 1,000 of them were built. ⁵⁾ The "Series One LD" consisted of a paint set. All 1000 bikes had the same paint set. ⁶⁾ Everything else on the bike was as a normal XLH.
