7mm Valve Guide Pilot

Technical Service continues to field calls on the part number and availability for the 7mm valve guide pilot. This pilot would be used on 2003 and later Buell Firebolt models, 2004 and later XL models and 2005 and later Big Twin models. It can be ordered under part number B-35758-52 through our Specialty Tool Supplier Kent-Moore or their facility in Japan (HD-J).

The contents of the full Neway kit (HD-35758-C) do include the 7mm pilot.
